We are shocked and deeply saddened to learn of the tragic and untimely passing of Mark Bixby. He will be greatly missed, both as a Bixby family member and Bixby Land Company shareholder. Mark contributed greatly to the Long Beach community and was loved by many. We extend our deepest sympathies to his wife Theresa and their three children, and we share in their grief.

Message from Theresa Bixby

March 18, 2011 | *"The outpouring of love and support for Mark from so many people has been amazing. We are all so heartbroken and people are showing their love with food and flowers. I would ask people to give to others in need in lieu of more food and flowers. Mark would want people to give to a charity of their choice or one of three charities in his honor; [YMCA of Greater Long Beach](#) Camping Services Endowment, [Rotary Club of Long Beach](#) Scholarship Foundation, or [Children Today](#). He was on the board of YMCA Camping Services, was President of Rotary Club and sat on the scholarship committee and was very supportive of the non-profit, Children Today that I co-founded with Jennifer Fitzgerald."*

*Thank you,
Theresa*
